Management Discussion and Analysis 90th Annual Report FY 2025-2026

Background

The Hindustan Housing Company Limited (“the Company”) is a public listed Company incorporated in the Year 1934 and is a part of the Bajaj Group of Companies. The equity shares of the Company are listed on BSE Ltd. since the Year 1938 under Security Code No.: 509650.

The Company is a Service Company and it is presently not carrying on any manufacturing or trading activities. The principal business activities of the Company consist of rendering and providing various kinds of administrative and allied services and facilities to companies and entities of the Bajaj Group. Such services and facilities include Air-conditioning Systems, General Administrative and other allied Services.

The major sources of income of the Company are (a) Income received from rendering and providing various administrative and allied services and facilities as aforesaid and (b) Dividend Income.

Financial Performance

The Net Worth of the Company as on 31.03.2026 is Rs. 2266.88 Lakhs (excluding Other Comprehensive Income). The Total Revenue and Net Profit (after tax) of the Company during the year under review were Rs. 739.62 Lakhs Crores and Rs. 222.22 Lakhs respectively as compared to Rs. 673.58 Lakhs and Rs. 263.62 Lakhs respectively in the previous year.

Risks and Concerns

The current and future financial performance of the Company is linked to and is directly related to the services rendered as detailed above and dividend payouts by the listed companies of the Bajaj Group in which it holds its investments. The Company does not have any borrowings from any banks or financial institutions and neither has it accepted nor does it hold any public deposits.

Since all the customers of the Company are companies and entities of the Bajaj Group, the Company presently does not have any risk exposure in respect of the services so rendered.

However, at the same time, the Company is also totally dependent on all such companies / entities of the Bajaj Group for its business and any future change in their business plans to avail the aforesaid services and facilities from the Company might adversely affect the

operations of the Company. However, considering the nature of services and facilities rendered and provided by the Company to the Bajaj Group Companies, the Company does not anticipate any adverse impact on its operations in the near future.

Internal Control Systems and their Adequacy

The Audit Committee of the Board of Directors of the Company periodically evaluates the adequacy of the internal controls and processes and ensures strict adherence to its laid down processes and procedures as well as to the prescribed regulatory and legal framework to manage and minimize the risk. The Committee further reviews the internal audit reports and effectiveness of the internal financial controls.

Human Resources

The Company recognises its employees as a critical asset of the organisation and lays due emphasis on all round development of its employees.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE HINDUSTAN HOUSING COMPANY LIMITED**

Report on the Audit of the Financial Statements

Opinion

- 1) We have audited the accompanying financial statements of **THE HINDUSTAN HOUSING COMPANY LIMITED** ("the Company") which comprise the Balance Sheet as at **March 31, 2026**, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year ended March 31, 2026 and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").
- 2) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit and total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

- 3) We conducted our audit of the Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

- 4) Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- 5) The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Financial Statements and our Auditor's Report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report.
- 6) Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 7) In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit otherwise appears to be materially misstated.
- 8) When we read the Company's Annual report, if we conclude that there is a material misstatement therein, we are required to report that fact to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management and Board of Directors for the Financial Statements.

- 9) The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, the financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act.
- 10) This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 11) In preparing the Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

- 12) Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
- 13) As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

- 14) We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.
- 15) We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.
- 16) From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. We conclude that there are no key audit matters that needs to be communicated.

Report on Other Legal and Regulatory Requirements

- 17) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 18) (A) As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act; and
 - (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**".
- (B) In accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. There are no pending litigations against the company except those disclosed in Note no. 36;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There is no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause (iv) (a) and (iv) (b) contain any material misstatement.
- v. The Company has not paid or declared dividend during the year.
- vi. The reporting under rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from April 01, 2023.

Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility. Further, for the periods where edit log facility was enabled for the respective accounting software, measures were in place to establish necessary controls aimed at preventing or identifying any tampering with the audit trail feature and we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail of relevant prior years has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the prior year.

(C) With respect to the other matters to be included in the Auditor's Report as per section 197 (16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its director during the year is in accordance with the provisions of Section 197 of the Act.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Statement on Matters specified in paragraphs 3 & 4 of the Companies (Auditor’s Report) Order, 2020:

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i.
 - a. (A) The Company has maintained proper records showing full particulars (*except for location and identification tags for certain assets*), including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.
 - b. The Company has a regular program of physical verification of its Property, Plant and Equipment by which it’s Property, Plant and Equipment are verified in a phased manner by the management and the Company’s internal auditors. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its Property, Plant and Equipment. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. Based on our examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d. The Company has not revalued any of its Property, Plant and Equipment or intangible assets or both during the year.
 - e. According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - a. The Company is a service company, primarily engaged in rendering administrative and allied service. Accordingly, it does not hold any physical inventory and hence reporting under clause 3(ii) (a) of the Order is not applicable.
 - b. The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The Company has made investments in companies and other entities. The company has not provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year.

- a. The Company has not provided any loans (excluding loan to employees) or advances in the nature of loans or stood guarantee or provided security to any other entity during the year and hence reporting under clauses (iii)(a), (c), (d), (e) and (f) of the order are not applicable.
- b. In our opinion, the investments made in companies are, prima facie, not prejudicial to the company's interest.
- iv. There are no loans, guarantees or securities granted in respect of which Section 185 and 186 of the Act are applicable to the Company. The Company has complied with the provisions of Sections 186 of the Act in respect of the investments made.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Rules framed there under to the extent notified. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Act for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. The Company does not have liability in respect of service tax, Duty of Excise, sales tax and value added tax during the year since effective July 01, 2017, these statutory dues has been subsumed into GST.
 - a. The Company is regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, duty of customs, cess and any other statutory dues with appropriate authorities, where applicable. There are no undisputed amounts payable in respect of such statutory dues which have remained outstanding as at March 31, 2026 for a period of more than six months from the date they became payable.
 - b. There are no statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2026 on account of any disputes.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
 - a. The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
 - b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c. The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - d. The Company has not raised any loans during the year and hence reporting on clause 3(ix)(d) of the Order is not applicable.

- e. The Company doesn't have any subsidiaries hence reporting on clause 3(ix)(e) of the Order is not applicable.
- f. The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. a. On the basis of our examination and according to the information and explanations given to us, no fraud by the Company or any material fraud on the Company has been noticed or reported during the year, nor have we been informed of any such case by the management.
- b. To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.
- xiv. a. Based on the information and explanation provided to us and our audit procedure, in our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b. We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

- xvi. a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

- b. In our opinion, and according to the information and explanation given to us, in the group (in accordance with Core Investment Companies (Reserve Bank) Directions, 2016) there are 20 companies forming part of the Group of the Company which are CICs (These are unregistered CICs as per Para 8.1/9.1 of Notification No. RBI/2020-21/24 dated 13 August 2020 of the Reserve Bank of India).
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(viii) of the order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The provisions of Section 135 of the Company's act relating to Corporate Social Responsibility (CSR) is not applicable to the company. Hence reporting under clause 3(xx)(a), b) of the order is not applicable.
- xxi. The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls with reference to the aforesaid Financial Statements under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013 (the "Act")

Opinion

- 1) We have audited the internal financial controls with reference to financial statements of **The Hindustan Housing Company Limited** (the "Company") as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.
- 2) In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI").

Managements' Responsibility for Internal Financial Controls

- 3) The Company's management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

- 4) Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.
- 5) Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's

judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

- 6) We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

- 7) A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that:
- i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

- 8) Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

* The Company has regrouped/reclassified shares forfeited to Capital Reserve from equity share capital for current year and previous year.					
a. Capital Reserve - The Company recognises profit and loss on purchase, sale, issue or cancellation of the own equity instruments to capital reserve.					
b. General Reserve - General reserve represents appropriation of profits. This represents a free reserve and is available for dividend distributions. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to the statement of profit and loss.					
c. Retained earnings - Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.					
Remeasurements of Net Defined Benefit Plans: Difference between the Interest Income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and are adjusted to retained earnings.					
d. Equity instruments through other comprehensive income - This Reserve represents the cumulative gains (net of losses) arising on revaluation of Equity Instruments measured at Fair Value through Other Comprehensive Income, net of amounts reclassified, if any, to Retained Earnings when those instruments are disposed of.

Note 1: STATEMENT OF MATERIAL ACCOUNTING POLICIES

(A) Corporate information

The Hindustan Housing Company Limited ('HHCL' or 'the Company') is a public company domiciled in India and is incorporated under provisions of the Companies Act applicable in India. The equity shares of the Company are listed on BSE Ltd (Bombay Stock Exchange). The registered office of the company is located at Bajaj Bhawan, 2nd Floor, Jamnalal Bajaj Marg, 226, Nariman Point, Mumbai - 400 021.

The Company is engaged in the business of rendering administrative and allied services.

The standalone financial statements are approved for issue by the Company's Board of Directors on May 21st, 2026.

(B) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') prescribed under Section 133 of the Companies Act 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act. The Company has consistently applied accounting policies to all periods.

(ii) Historical cost convention

The financial statements have been prepared under historical cost and on accrual basis, except for the following that are measured at fair value:

- 1) Certain financial assets and liabilities (refer note 32);
- 2) Defined benefit plans - plan assets (refer note 30);

(iii) Current/Non-Current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

The classification of an asset either current or non-current has been made applying the criteria of realization of such assets within a period of 12 months after the reporting date.

Where assets have been fully provided for as doubtful, the same are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

(iv) Rounding off

The financial statements are prepared in Indian Rupees (INR), which is also the Company's functional currency and all values are rounded to the nearest lakh (Rs. 00,000), except when indicated otherwise.

(C) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience; Management's evaluation of the relevant facts, various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Circumstances as on the date of the financial statements may differ from the actual results at a subsequent date. Differences between the actual results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates is included in the relevant notes together with information about basis of calculation for each affected line item in the financial statements:

a) Provision for employee benefits

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans, the management considers the interest rates of government bonds in India.

The mortality rate is based on publicly available mortality tables as defined by LIC. Future salary increases is based on Company's assessment based on past trends.

b) Tax expenses

The Company's tax jurisdiction is in India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

c) Estimates of Useful lives of Assets/Components

The Company reviews the useful life of Property plant and equipment at each reporting period. This reassessment may result in change in depreciation expense in future periods.

(D) Summary of Material Accounting policies:

(a) Property, plant and equipment

All items of property, plant and equipment are stated at cost less depreciation; amortization and impairment, if any. Historical cost includes expenditure that is directly attributable to bringing the asset to its working condition capable of operating in the manner intended.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. The Company depreciates them separately based on their specific useful lives. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on Straight Line Method and the useful lives of the assets for computing depreciation are calculated in accordance with Schedule II to the Act. Depreciation on additions to assets or on sale/disposal/discarding of assets is calculated pro-rata from the date of such addition or up to the date of such sale/disposal/discarding as the case may be.

Depreciable amount is the cost of an asset, or other amount substituted for cost, less its residual value. The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed at regular intervals and adjusted prospectively, if appropriate. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized

The estimated useful life of items of property, plant and equipment is mentioned below:

S. No.	Assets	Useful Life
1	Air conditioner plant	5 Years
2	Office Equipments and Security Equipments	5 Years
3	Furniture and Fixtures	10 Years
4	Electrical Equipments	10 Years
5	Buildings and elevators	15 to 60
6	Information Technology Equipments	3 to 6

The residual values, useful lives and method of depreciation of property plant and equipment are reviewed at each financial year and adjusted prospectively, if any.

(b) Intangible assets

Computer software

Computer software are stated at cost, less accumulated amortization and impairments, if any. The Company amortizes computer software using the straight-line method over the period of 6 years.

Gains and losses on derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

(c) Cash & Cash Equivalents

Cash and Cash Equivalents comprise of cash at banks and on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase are three months or less and that are readily convertible to known amounts of cash to be cash equivalents and which are subject to an insignificant risk of changes in value.

(d) Investments and Other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

1. Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
2. Those measured at amortized cost.

The above classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

The Company's business model for managing financial assets refers to how it manages its financial assets to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

(ii) Measurement

For a financial asset to be classified and subsequently measured at amortized cost or FVTOCI (excluding equity instruments which are measured at fair value through other comprehensive income(FVTOCI)), it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss(FVTPL), irrespective of the business model.

At initial recognition:

The Company recognizes a financial asset in its financial statements when it becomes party to contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial assets. However, trade receivables that do not contain a significant financing component are measure at transaction price.

Subsequent measurement:

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

A. Amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost and Interest income from these financial assets is included in other income using the Effective Interest Rate (EIR) method.

B. Fair value through profit and loss (FVTPL):

Financial Assets that do not meet the criteria for amortized cost are measured at fair value through Profit and Loss e.g. Investments in mutual funds. A gain or loss on a financial asset that is subsequently measured at FVTPL is recognized in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has designated investments in mutual funds (other than

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

FMP) as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

C. Fair value through Other Comprehensive Income (FVTOCI):

The Company measures its current equity investment i.e. Equity instruments which are held for trading, if any, at FVTPL and all other equity instruments at FVTOCI. The Company makes such election on an instrument-by-instrument basis.

Equity instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

(iii) Impairment of financial assets

The Company assesses on a forward-looking basis, the expected credit losses associated with its financial assets carried at amortized cost for e.g, trade receivables and bank balances. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables and all lease receivables.

(iv) Derecognition of financial assets

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

(v) Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities.

The Company applies amortized cost, where it has ability to demonstrate that the underlying instruments in the portfolio fulfill the solely payments of principal and interest ('SPPI') test and the churn in the portfolio is negligible.

(vi) Financial Liability

The Company's financial liabilities includes security deposits, trade payable, accrued expenses and other payables etc.

At Initial recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortized cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities classified at amortized cost are recognized initially at fair value net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at

initial recognition is recognized in the Statement of Profit and Loss or in the Capital Work-In-Progress, if another standard permits inclusion of such cost in the carrying amount of an asset over the period of the borrowings using the Effective interest rate ('EIR') method.

Subsequent recognition

The subsequent measurement of financial liabilities depends upon the classification as described below: -

Financial Liabilities classified as Amortized Cost

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Interest expense that is not capitalized as part of costs of assets is included as Finance costs in the Statement of Profit and Loss.

Financial Liabilities classified as Fair value through profit and loss (FVTPL)

Financial liabilities classified as FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities designated upon initial recognition at FVTPL only if the criteria in Ind AS 109 is satisfied.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged / cancelled / expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(e) Impairment of non-financial assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Impairment loss of non-financial assets, if any are recognised in the Statement of Profit and Loss

(f) Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When the likelihood of outflow of resources is remote, no provision or disclosure is made

(g) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts offered by the Company as part of the contract.

(i) Income from rendering of services

Income from rendering of services and related expenses are recognized on accrual basis in the year in which the services are rendered at an amount that reflects the consideration which the Company expects to be entitled in exchange for those goods or services. The timing of when the Company transfers the goods or provides services may differ from the timing of the customer's payment.

The amounts disclosed as revenue are net of goods and service tax (GST).

Revenue from the sale of services is recognized at the point in time when control is transferred to the customer. Generally, the credit period varies between 0-30 days from the completion of services.

(ii) Dividends

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

(h) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees renders the related services are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Long-term employee benefit obligations

Privilege leave Entitlements:

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

The liabilities for earned leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by the employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss.

Gratuity:

Gratuity liability for the employees covered under the Payment of Gratuity Act 1972, is contributed to the Life Insurance Corporation of India (LIC), through “Bachhraj Employees Group Gratuity Scheme”. Fair value of the Plan Assets, is reduced from the gross obligation under the Defined Benefit Plans, to recognize the obligation on a net basis. However, any deficit in plan assets managed by LIC as compared to the liability based on an independent actuarial valuation is recognized as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Provident Fund Contribution - Monthly contributions are made to “Bachhraj & Co. Ltd. Provident Fund Institution”, (Trust) constituted for the benefit of the employees. The minimum interest rate payable by the Trust to the beneficiaries is notified by the Central Government. The Company has an obligation to make good the shortfall, if any, between the return on investments of the Trust and the notified interest rate.

(i) Taxation

Income tax expense for a financial year represents the sum of tax currently payable, adjustments for tax provisions of previous years and deferred tax.

(i) Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961. The tax rates and tax

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

(ii) Deferred Tax

Deferred Tax is provided using the balance sheet approach on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

(j) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(k) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions. The Company categorises assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(l) Recent accounting pronouncements :

The Ministry of corporate Affairs ("MCA") notified amendments on 7 May 2025 and 13 August 2025 under the Companies (Indian Accounting Standards) Amendment Rules, 2025 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which is effective from annual reporting periods beginning on or after 1 April 2025.

(a) Amendment to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangement

The amendments to Ind AS 7 'Statement of Cash Flows' and Ind AS 107 'Financial Instruments: Disclosures' clarify the characteristics of supplier finance arrangements and require additional disclosures for such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk. The supplier finance arrangements during the financial year have been suitably disclosed.

(b) Amendment to Ind AS 1 - Classification of liabilities as current or non-current and non-current liabilities with covenants:

The amendment specifies the requirements for classifying liabilities as current or non-current in the balance sheet, and clarifies the following:

(i) An entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period. The classification of a liability as current or non-current is unaffected by the likelihood that the entity will exercise its right to defer settlement.

(ii) If an entity's right to defer settlement of a liability is subject to covenants, such covenants affect whether that right exists at the end of the reporting period only if the entity is required to comply with the covenant on or before the end of the reporting period.

(iii) In case of a liability that can be settled, at the option of the counterparty, by the transfer of the entity's own equity instruments, such settlement terms do not affect the classification of the liability as current or non-current only if the option is classified as an equity instrument.

These amendments have no effect on the measurement of any items in the financial statements of the Company. The Company do not make retrospective adjustments as a result of adopting the amendments to Ind AS 1.

(c) Amendment to Ind AS 12 - Pillar-Two Tax Reforms :

The Company is within the scope of the OECD Pillar Two Model Rules. Based on the current assessment, the Company's effective tax rates in the jurisdiction in which it operates exceed 15% and accordingly no

material exposure to Pillar-Two Top-up taxes is envisaged.

This assessment is based on currently available information and interpretations of the Pillar Two Rules which are evolving. The Company continues to monitor development in tax legislations and guidance across relevant jurisdictions and the actual impact, if any, may differ in future periods.

(d) Amendment to Ind AS 21 - Lack of exchangeability :

The Amendments introduces requirement to assess when a currency is exchangeable into another currency and when it is not. The amendment requires an entity to estimate the spot exchange rate when it concludes that a currency is not exchangeable into another currency. These amendments had no effect on the financial statements of the Company.

Management Assessment:

The adoption of these amendments did not have a material impact on the financial statements of the Company.

II) Defined Contribution Plans (Provident Fund)

The Company monthly contributes 12% of basic salary as per the Provident Fund Act to its Common Control Trust "Bachhraj & Co. Ltd. Provident Fund Institution", (Trust) constituted for the benefit of the employees.

The Company has an obligation to fund for any shortfall on the yield of the Trusts investments over the administered interest rates on an annual basis. These administered rates are determined annually predominantly considering the social rather than economic factors. The actuary of the Trust has provided a valuation for Provident Fund liabilities on the basis of guidance issued by the Actuarial Society of India on consolidated basis, I.e., all Common control entities put together.

Individual assets and liabilities details for each entity is not ascertainable. Hence the Company has accounted Provident Fund as Defined Contribution Plan in line with IND AS 19 "Employee Benefits".

The Company as on the date of signing of the Financial Statements is yet to receive any intimation from the Trust toward contribution for any shortfall in Assets value.

The expense recognised during the year ended 31st March 2026 towards Defined Contribution Plan on such shortfall is Rs. Nil (P.Y. Nil).

The Company has contributed Rs. 11.33 lakhs (P.Y. Rs. 10.76 lakhs) towards Employee's PF contribution for the year.

There has been no impact in gratuity or leave encashment on account of new the Code on Wages 2019, The Code on Social Security 2020 and the Occupational Safety, Health and Working Conditions Code, 2020.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2026

31 Estimation of fair value of interest free deposits

The security deposits received are to be repaid in cash over a definite period of years. As per Indian Accounting Standard 109 ("Ind AS 109"), "Financial Instruments", all financial assets and liabilities are required to be recognised at fair value. Since these security deposits are refundable in cash, they would generally meet the definition of financial asset under Ind AS 109. As these security deposits are interest free, the difference between the deposit amount and its fair value is to be treated as Deferred Income which is then recognised as Income in the statement of profit or loss on a straight line basis over the tenure of the deposit as additional lease income. On a related note, interest is accreted on the fair value recognized on inception to bring the fair value to the deposit amount that will be repaid.

32 Fair Value Measurement

Financial Instrument by category and hierarchy:

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the Accounting Standard.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts. The fair values for security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Note 33: Financial Risk Management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's approach to addressing risks is comprehensive and includes periodic review of such risks and a framework for mitigating and reporting mechanism of such risks. The risk management framework is reviewed periodically by the Board & Audit Committee. The Company's financial risk management is an integral part of how to plan and execute its business strategies.

The Board of Directors provides guiding principles for overall risk management, as well as policies covering specific areas, such as credit risk, liquidity risk and investment of available funds.

The Company has exposure to the following risks arising from financial instruments:

- Credit Risk
- Liquidity Risk and
- Market Risk

Credit Risk:

Credit Risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations towards the Company and primarily arises from trade and other receivables, cash and cash equivalents, financial assets measured at amortised cost and financial assets measured at FVTPL. None of the financial instruments of the Company result in material concentration of credit risk. The maximum amount of the credit exposure is equal to the carrying amounts of these receivables.

i. Trade and Other receivables

In regard to Trade receivables, which are typically unsecured, credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to whom credit is extended in the normal course of business.

Financial assets are written off when there are no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable dues. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company has a policy to provide for any amount which is outstanding for more than 12 months from its due date if they are considered as doubtful.

ii. Others

Other than trade financial assets reported above, the Company has no other financial assets which carries any significant credit risk.

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

Liquidity Risk:

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements to meet the financial liabilities within maturity period. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile thereby ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Maturity Patterns of other Financial Liabilities: (Rs. in Lakhs)

As at 31 st March 2026	0-3 Months	3-6 Months	6-12 Months	Beyond 12 Months	Total
Trade Payables	8.23	-	-	-	8.23

Total	11.43	17.26	7.70	37.17	63.56

Market Risk:

Market Risk is the risk that arises from changes in market prices. The Company operates only in domestic market and considering the business operation, the Company does not have any significant risks that will materially affect its income.

i. Interest Rate Risk:

Interest rate Risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company has no borrowings and hence there is no interest rate risk.

ii. Price Risk:

Market Price Risk is the risk that the value of an investment will decrease due to change in market factors.

Exposure:

The Company has deployed its surplus funds into various financial instruments including units of mutual funds, bonds, fixed maturity plans etc. The Company is exposed to price risk on such

THE HINDUSTAN HOUSING COMPANY LIMITED
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

investments; which arises on account of movement in interest rates, liquidity and credit quality of underlying securities. The Company's exposure to equity securities price risk and mutual fund NAV risk classified in the balance sheet either at fair value through OCI or at fair value through Profit and Loss. To manage its price risk, the Company diversifies its portfolio.

Sensitivity:

The table below summarizes the impact of increases/decreases of the BSE index on the Company's investments and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Impact on Profit before tax		(Rs. in Lakhs)
Particulars	31st March 2026	31st March 2025
BSE Sensex 30 - Increase 5%	323.24	344.77
BSE Sensex 30 - Decrease 5%	(323.24)	(344.77)

Above referred sensitivity pertains to quoted equity investment (Referred to in Note 3 and 6). Profit for the year would increase/ (decrease) as a result of gains/ (losses) on equity securities and mutual fund investments at fair value through other comprehensive income and through profit or loss respectively.

The Company has invested its surplus funds primarily in debt based mutual funds and fixed maturity plans. The value of investment in these mutual fund schemes is reflected though Net Asset Value (NAV) declared by the Asset Management Company on daily basis.

The Company has not performed a sensitivity analysis on these mutual funds based on estimated fluctuations in their NAV as in Management's opinion, such analysis would not display a correct picture.

Note 34: Capital Management - Objectives, policies and processes

The Company has cash surplus and has no capital other than Equity. The Company is not exposed to any regulatory imposed capital requirements.

The cash surpluses are currently invested in income-generating debt instruments (including through mutual funds) and money market instruments depending on economic conditions in line with the guidelines set out by the Management. Safety of capital is of prime importance to ensure availability of capital for operations. Investment objective is to provide safety and adequate return on the surplus funds.

The Company does not have any borrowings and does not borrow funds unless circumstances require.

No changes were made in the objectives, policies and processes of capital management during the year.
